National Honor Society Inducts 26

2017 Inductees

Front Row (l to r): Cecilia Crookston, Mackenzie Woodrum, Ruth Hunka, Emma Kurz, Erin Walker; Row 2: Jennifer Wilson, Jensen Miller, Ayla Deguzis, Morgan Manns, Maddie Kurz; Row 3: Ashley Owsiany, Abbie Howard, Erin Yoder, Corinne Donohue, Lauren Waggoner; Row 4: Julia Finney, Kailee Zito, Payton Harris, Shaye Foutty, Lauren Spradling; Row 5: Alexander Glauthier, Collin Croasmun, Luke O'Brien, Christian Houlehan, Grant Baughman, Joshua Woodward.

On November 29th, 26 students were inducted into National Honor Society. It is truly an honor and a privilege to be inducted into NHS. In addition to academic excellence, members must also demonstrate character, leadership, and service. In terms of service, Northwest National Honor Society has adopted the section of towpath from Canal Fulton to the Summit county line, performing four clean ups each year. They also participate in the Adopt-A-Family program at Christmas by collecting donations and purchasing gifts. For the past several years, they have sponsored the Volley for the Pets Volleyball Game (benefiting the Stark Humane Society) and Hoops for Hunger Basketball Game (benefiting Community Cupboard in Canal Fulton). At each event, students make a donation to participate and all proceeds go to the charity. Northwest National Honor Society is under the leadership of **Mrs. Heather Matoszka**.

Curriculum News

Debora Clark, Director of Instruction

Seasons Greetings

Three short months ago we welcomed our staff and students back from summer break knowing they were energized and ready to tackle the new school year. Time has flown quickly by and now they are all anticipating the holiday season and a well-deserved break. Seasonal activities and obligations are abundant and are often accompanied by holiday stress. The following song lyrics come to mind as I anticipate busy holiday schedules: *"you are going to wish these days hadn't gone by so fast."* I encourage you to set aside time with family and friends to enjoy a family movie night, make holiday cookies and treats, give back to the community by volunteering to help at a local organization, or spending time outdoors enjoying the wonders of the season including holiday lights and wintertime activities. The memories created with family and friends will last a lifetime.

Happy Holidays,
Debora

Hugs

Students and staff collect hats, underwear, gloves, and socks all year to help Northwest families. There are collection containers in each building's main office. Please donate to help families in need.

On November 7, two Stinson students were honored at the town hall meeting. Pictured (l to r): **Mrs. Mary Beth Manns** (grade 5 teacher), **Candace Doubet**, **Captain Shawn Yerian**, **Andrew Hetrick**, **Chief Raymond Durkee**. See story page on page 9.

Kindergarten Registration

To be eligible for kindergarten in the fall of 2018 your child must be five on or before September 30th.

Registration packets will be available
January 3, 2018, through March 23, 2018,
at the District's Central Office
or on the district website.

Completed registration packets should be returned to
the District's Central Office by April 3, 2018.

Copies of the following documents should be returned with the completed packets:

- | | |
|----------------------------------|----------------------------------|
| ✓ Birth certificate | ✓ Parent's Photo ID |
| ✓ Proof of residency | ✓ Immunization record |
| ✓ Child's social security number | ✓ Custody papers (if applicable) |

**IRISH
DANCE**

The Irish Dance spectacular “Carol of the King” to be performed at E.J. Thomas Hall

Created by Irish step dancer **Justin Boros**, a native of Canal Fulton, the show features original compositions and Irish step dancing set in a Christmas themed medieval-style backdrop.

“There are Christmas shows that have Celtic music and traditional dancing,” said Boros, “But our show breaks out of this mold, with elements such as an original orchestral soundtrack, snow machines and medieval thrones to tie in the storyline. There is a full good versus evil storyline, complete with a theme of redemption, with some elements that are similar to the Charles Dickens classic. While the audience will get to hear many of their Holiday favorites, the music has more of an Irish dance spectacular feel that will really ignite the Christmas spirit.”

Boros, who has been dancing since he was a teenager at Northwest High School, said he’s very excited to bring his latest production to the place he calls home. “E.J. Thomas Hall is one of the first venues where I saw ‘Lord of the Dance’ performed, which inspired me to pursue Irish step dancing.” Boros’ career took off after he successfully auditioned for Michael Flatley’s “Lord of the Dance” at Epcot Center in Disney World while on a family vacation in 2000.

“I grew up in nearby Canal Fulton and my family still lives in the area so being able to showcase my work here means a great deal to me.”

“Carol of the King” will be performed on Sunday, December 17 at 7:30 p.m. Tickets cost \$25 and \$35 and can be purchased online at ticketmaster.com or call the box office at 330-253-2488.

INTERACT Putting Others First

by Rick Woods

I formed Interact in 2011. I had a select group of students that shared my passion for service and wanted to create an avenue to honor that passion through service-learning. Hannah Millard and Bethany Dill were the driving force behind that first Interact group. What started with these two passionate souls has exploded into a group that fills the media center on a weekly basis.

Today, I have the tremendous privilege of advising 50+ of Northwest High School's finest young people through my Interact Club. These exceptional humans wake up early every Thursday morning at 7am for no other reason than to meet and talk about how we can change the world together. The club's focus is on service-learning, and club members learn that giving comes in many forms. They tackle local, state and global social issues, aid families and individuals in need, and seek opportunities to bring comfort and healing in times of loss. We mentor individuals with significant educational needs, serve as peer role models to district youth, and have created a partnership with the area senior center to meet their varied needs on a monthly basis. In October, Interact volunteered at the benefit for Leighton Meister, assisted at the Senior Center Dinner, helped with Goodwill Trick or Treat, the middle school sports banquet, the Buddy Program with the Intensive Needs unit, and Teacher Appreciation Week.

These kids are engaged in perpetual service; far more than I could list here, but the bottom line is...they are truly exceptional youth!

The club is open to all Northwest students, and interested individuals need only show up in the **Media Center at 7am any Thursday morning**.

Student Council

After planning a successful fall homecoming, the Northwest Student Council, in coordination with Lifeshare, hosted the first of three blood drives at the high school this year. In the October drive, 77 donors took part and 49 units of blood were successfully collected. The next blood drive will be on **December 18 from 7:30 am to 1:30 pm** in the high school auxiliary gym. It is open to the public.

*Student Council Executive Officers:
Hannah Huffman, Vice-President;
Kendall Schenz, President;
Chelsea Grisby, Secretary.*

*(l to r): The 2017 Team: **Mr. Johnson**, **Kailee Zito**, **Ethan Lower**, **Joe Chiboroski**, **Kamryn Culp**, and **Dion Morris-Evans**.*

Academic Challenge

Under the leadership of **Mr. John Johnson**, the Northwest Academic Challenge team traveled to Cleveland to compete in Academic Challenge on Channel 5 News. They came away victorious when they defeated both Southeast (Ravenna) and Fairview. The contest is scheduled to air on **December 9**.

Girls on the Gridiron

On November 2, Northwest High School held its first Powder Puff football game. Eighteen junior and senior girls participated. Sponsored by the Prom Committee as a prom fundraiser, the game raised \$350. Due to the positive response from students and administration alike, we are planning another game in April.

Mr. Burnett Repository Administrator of the Month

Each month, The Canton Repository recognizes a teacher, an administrator, two students and a classified employee from each school district in Stark County. These people are nominated by the school district. From that list, The Canton Repository chooses one person from each category to recognize as the Repository/Stark County person of the month for the whole county. We are proud to announce that High School Assistant Principal, **Scott Burnett**, was selected as the county administrator of the month for November. An article about Scott and his role in the district appeared in *The Repository* on Sunday, November 5.

Scott has been with Northwest Schools for the past seven years. Prior to that, he worked for Wooster City Schools as a social studies teacher and Dean of Students. Scott is a graduate of Triway High School in Wayne County and Ashland University. He is involved in mentoring and guiding students in many ways at the Northwest High School. He is always available to talk with students about the negative and positive choices they make. He is known to be a fair and firm person. The staff also looks to Scott for help and guidance in many aspects of their jobs. In addition, Scott serves, along with Dr. Mike, as the point person for safety and security of the district. Scott makes sure all of the safety plans for each building in the district are up to date and accurate. He also makes sure that the extensive safety plan for each building is filed correctly with the state. He communicates on a regular basis with local safety forces as well.

Congratulations Mr. Burnett on a much deserved honor.

Mr. Scott Burnett

Attend Northwest Athletic Events and Save Money

Student pre-sale tickets are \$4 for all athletic home games. Tickets sold at the door are \$7 for all adults and students. Passes offering considerable savings are now available for purchase at the high school athletic office. Adult Punch Passes (\$60) and Student Punch Passes (\$30) enable fans to attend 10 home sporting events throughout the school year. Student Spirit Passes (\$50) are also available for all Northwest students. Spirit Pass holders gain unlimited admittance to any Northwest home sporting event throughout the school year.

October Students of the Month

Each month, the middle school staff honors trustworthy, hardworking students who accept responsibility and do their work promptly and efficiently. These students respect authority and respect their peers, demonstrating honesty and fairness. They are dependable and often do more than is required of them. Congratulations to October's students of the month!

Going Greek!

On Friday, October 20, seventh graders participated in Greek Olympics. They were placed into six teams and assigned a color. Those teams competed against each other in different events all day. They earned points based upon what place they earned in each event. Some of the events included tug of war, jeopardy, family feud, suitcase relay race, and Frisbee toss. This year's winning team was Mrs. Street's green team. It was a fun day for our seventh graders!

Ninety Students tour the Capitol

In early November, seventh and eighth-grade students journeyed to Washington DC. Day 1 started with a visit to the Capitol for a tour and a visit to the White House for pictures, followed by a trip to the Air Force Memorial. On day 2, they visited the FDR, MLK, Jefferson, and Washington monuments and presented a wreath at the Tomb of the Unknown Soldier at Arlington Cemetery. Our presenters were **Brady Aneshensel, Paige Owsiany, Megan Swogger, and Olivia Ellis** (pictured above right). After Arlington, students toured the American History and Natural History museums before loading into the bus and heading to Medieval Times for a dinner show. On their final day, they made the venture to Gettysburg for battlefield tours, a museum tour, and a 360 degree interactive painting that showed the events of the battle. Special thanks to **Dave Maculaitis** for making this trip unforgettable for our students!

W.S. Stinson Elementary News

Children helping Children!

Stinson students have found many ways this fall to give back to their community, and most specifically to children. November started with the entire school participating in the annual Food Drive which benefits the Akron/Canton Regional Food Bank. Stinson students brought in food items, paper products, and/or personal care items. There is not a school-wide contest or an award for the class who brings in the most items, as we want the students to understand the value of volunteering/donating without seeking a reward or recognition. Each year, the Stinson students do an amazing job of donating for this very worthwhile cause!

As we got closer to the holidays, each grade level participated in a variety of causes closest to their hearts. **Stella Miller**, a fourth grader, asked her peers to donate new teddy bears for Akron Children's Hospital. Stella is a student that has epilepsy and November was National Epilepsy Awareness month. The teddy bear drive is for children at Akron Children's Hospital that have epilepsy. Many of the children go to the hospital for testing and overnight stays. Those children are given a teddy bear to help make them feel better! Thank you Stella for your kindness in helping others with epilepsy!

For the fourth year in a row, students in grades three, four and five who work with Stinson's Intervention Specialists made fleece blankets for patients at Akron Children's Hospital. This project not only benefits the patients at Akron Children's but also provides the students with the opportunity to practice cooperation and leadership skills. Knowing that the blankets will be helping other children also helps build the students' self-esteem.

And lastly, Mrs. Gilson, Mrs. Barnett, and Mrs. Gatewood's third-grade students will carry on their tradition of providing teddy bears to Stinson students who have lost a loved one. They call this Project Teddy, because they also understand how comforting a teddy bear can be for a child going through a tough time. The students are asked to bring in a dime for a cookie exchange with another class, and they use this money to purchase the teddy bears. However, the dimes they promise to pay often turn into quarters and dollars. The students also create heartfelt letters to accompany the bears to their new owners to let them know that their school family is here to support them in the grieving process.

We are proud of all our students for their huge hearts and charitable contributions! We'd also like to thank our parents for their support and assistance with our worthwhile causes.

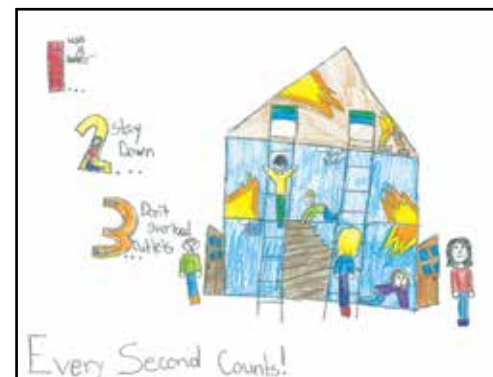

Stinson Students make a Splash!

Fourth graders went swimming at the Jackson David YMCA this fall. This program has been wonderful for our students to participate in. Each class had five afternoon lessons worked into the school day. They were grouped by ability levels into small groups by licensed swim instructors. The groups worked on swimming skills from dog paddling, holding their breath under water, diving, and swimming strokes. The students loved their hour lessons. At the end of the fifth day, these fourth graders left the Jackson David YMCA with more confidence and a love of swimming!

Poster Contest Winners!

Two Stinson students won the local fire prevention poster contest for Fire Prevention Week.

Candace Doubet (from Mrs. Manns' grade 5 class) and **Andrew Hetrick** (from Mrs. Barnett's grade 3 class) will travel to Columbus for the State's contest. In addition to this honor, both students won new bicycles from **Brimstone Bicycles**. The Firefighter's Association also sponsored a Domino's pizza party for each classroom.

Congratulations Candace and Andrew!

Welcome Dads!

Northwest Primary was full of laughter and energy as first graders enjoyed Dinner with Dad on Thursday, October 5. Dads enjoyed Chick-fil-A dinners, visited classrooms, and wrote special words-of-encouragement letters to their children. Raffle baskets created by students and staff raised money to pay for busing for *Peter and the Wolf*, *The Nutcracker*, and the *Kinderconcert*. Dads and students built towers and built and raced lego cars in activities provided by Bricks 4 Kidz, a program designed to create interest in science, technology, engineering, arts, and math. Thank you to the PTO and the Northwest Primary staff for making this a special night for dads and students alike!

October Family Project

The October Family Project definitely combined reading and creativity! First graders selected a book and read it with their families. They discussed the characters in the story and recreated their favorite character on a pumpkin.

Celebrating Johnny Appleseed's Birthday!

Miss Jill Butler's class celebrated Johnny Appleseed's birthday. The students made applesauce and apple pops, painted with cut apples, and they tasted red, green, and yellow apples to write about their favorite!

Mr. Cliff Varian came to visit from Varian Orchards in East Canton. He explained to the children how he and his family have been running their orchard for 100 years. He showed them the star inside the apple, had the children act like trees in the wind, and so much more!

Miss McCallin's kindergarten class also celebrated Johnny Appleseed day.
