A Message from Mrs. Blowers

- Conference forms came home last week. These conferences are only as needed. If you feel a conference is necessary and I marked not needed at this time please contact me and we will find a time to meet.

-I did not send homework last week, I have attached both this week. It is not required to do last week but if you would like to use it as extra practice over the long weekend feel free.

-NO SCHOOL FRIDAY, February 17th or MONDAY, February 20th.

-Please notice the change in our special schedule above. Students must wear tennis shoes to participate on gym days as well as inside recess.

-FYI - During the months of February and March we host "Investigation Days" for local preschools and the parents to give them an idea of what kindergarten looks like. With that being said there are several Fridays, that I will be speaking to the parents during these sessions and will be in the building but not in the classroom in the morning. Mrs. Williamson will be in for me all of these mornings, the students are very familiar with her and she is a retired kindergarten teacher.

-If you or anyone you know has a student that will be in kindergarten next year and would like to join an investigation day, we have a day open to anyone on March 24th. Just call the office and let them know you are coming!

-It is winter in Ohio, please send you child with the appropriate clothing for recess (winter coat, gloves, hat etc.). Even when it is cold we still go outside!

-Please send tennis shoes every day with your child, when we have inside recess our class goes to the gym.

If you would like to order any books through Scholastic, you can order online at www.scholastic.com, my classroom code is: DL8RC

*If you do not have internet access please let me know and I will sent home the book order in paper form. Orders are due by February 24th.

-Please send a snack daily with your child.
