Parents,

If you anticipate that paying for camp will be difficult for your family, we strongly encourage your participation in both camp fundraiser opportunities, as well as using the payment schedule. We will be unable to provide any discounts or assistance in paying for camp, but we want all students to take part in this valuable experience.

It is our hope that by making efforts to assist you in planning ahead, we will be able to take all students to camp in April.

If you have questions, please contact us at the middle school main office.
