Student _____ Grade 03
 Teacher _____ Year _____
 Principal _____

Art	1	2	3	4
Applies art elements and principles of design to create a work of art				
Has an understanding of how to use art materials and techniques to express ideas in their art work				
Does their best when participating in art activities				

Music	1	2	3	4
Participates in music activities				
Demonstrates musical skills and vocabulary by creating music, playing instruments/singing or through physical movement				
Applies musical concepts in class				

Physical Ed	1	2	3	4
Participates in physical education activities				
Demonstrates an understanding of concepts				
Demonstrates a positive attitude in class and participates cooperatively				

Attendance	1	2	3	4
Absent				
Tardy				

Progress Mark Explanation
M: Meets grade level standards
P: Making progress toward grade level standards
SN: Has not consistently met grade level standards

Notice to Parent/Guardian
 Grayed out area indicates that the standard is not assessed at this time.

English Language Arts	1	2	3	4
Reading/Literature				
Comprehends different genres of literature at grade level				
Identifies main ideas and supporting details of a given text				
Compares and contrasts different stories and their elements				
Reading/Informational Text				
Comprehends informational text at grade level				
Identifies main idea and supporting details of informational text				
Uses text features to locate information				
Compares and contrasts two texts on the same topic				
Foundational Skills				
Reads with sufficient accuracy and fluency to support comprehension at grade level				
Knows and applies grade-level phonics and word analysis skills in decoding and spelling words				
Writing				
Develops pieces of writing including opinion, informative, and narratives				
Language				
Uses different strategies to determine the meaning of unknown words				
Demonstrates conventions of English grammar and usages				
Demonstrates conventions of English capitalization, punctuation, and everyday spelling				
Speaking and Listening				
Participates in collaborative conversations: main idea/details, ask and answer questions, follow agreed upon rules for discussion				

Math	1	2	3	4
Operation and Algebraic Thinking				
Multiply and divide within 100				
Problem solve using the four basic operations in word problems				

Number Operations in Base Ten				
Round to the nearest 10 or 100				
Fluently add and subtract within 1,000				
Numbers and Operations in Fractions				
Understands what a numerator and denominator of a fraction represents				
Understands fractions as a number on a number line				
Recognizes and creates equivalent fractions				
Expresses whole numbers as fractions				
Compares fractions

Tell and write time to the nearest minute				
Demonstrates an understanding of elapsed time				
Measures and estimates liquid volumes and masses of objects				
Creates picture graphs, bar graphs, and line plots and solves coordinating problems				
Measures to the nearest whole, half, and quarter inch				
Finds area of a given rectangle				
Finds perimeter of a given polygon				
Geometry				
Understands and recognizes shapes in different categories may share traits				

Science	1	2	3	4
Science Inquiry				
Identifies science tools, inquiry skills, and steps in the scientific method				
Earth and Space Science				
Identify and distinguish between renewable, nonrenewable and reusable resources				
Identifies Earth's nonliving resources as having specific properties				
Physical Science				
Identifies the different states of matter and the properties of each				
Life Science				
Identifies the life cycle of an animal				
Identifies the life cycle of a plant				

Social Studies	1	2	3	4
Geography				
Reads and interprets key elements of a map				
Government/History				
Explains the structure and functions of the local government and can identify local leaders				
Understands the impact of local history on society				
Describes the role and responsibilities of a citizen				
Economics				
Demonstrates an understanding of economic concepts				

Learning and Behavior	1	2	3	4
Stays on task				
Completes homework on time				
Organizes work area and materials				
Works Independently				
Works neatly and carefully				
Begins and ends work in a timely manner				
Participates in class				
Works cooperatively in groups				
Listens attentively				
Follows directions				
Puts forth effort				
Talks at appropriate times				
Demonstrates self-control				
Demonstrates respect for people and property
